ABOUT US

We started providing fabrication services in the year 2020 with the name **Shaurya Enterprises.** We have come a long way and currently providing wide range of fabrication related services under the name **Swastik Industries** (previously known as Shaurya Enterprises). We are a premier industrial fabrication service provider dedicated to excellence. With a blend of modern technology and skilled craftsmanship, we deliver top-notch solutions tailored to meet diverse industry requirements. Our commitment to quality, reliability, and customer satisfaction sets us apart.

At Swastik Industries, we strive for innovation and efficiency, ensuring that every project is executed with precision and timeliness. Trust us to be your partner in achieving your fabrication needs, driving success together.

CORE VALUES

- ***Customer Focus:*** *Customers always comes first for us.*
- ***Simplicity:*** *Everything we do adds customer value.*
- ***Courage & Respect:*** *We treat others as we like to be treated ourselves.*
- ***Cost Efficiency:*** *We use the most cost-efficient way to fulfill our customer's demands.*

BUSINESS AREAS

- Customised Fabrication
- Laser Machine
- Electrical Cabinets
- Industrial Trolleys
- Industrial Conveyors
- Structural Fabrication

CUSTOMISED FABRICATION

We deliver end-to-end customised fabrication solutions tailored to your unique requirements. With a wide range of materials and advanced manufacturing techniques, we create robust high-precision components – from standard designs to complex structures. Our focus is on superior quality, durability and on-time delivery for every project.

MATERIALS WE WORK WITH

- Mild Steel (MS)
- Stainless Steel (SS)
- Aluminium
- Other Materials (on request)
- Galvanized Iron (GI)

TYPICAL APPLICATIONS :

Electrical Cabinets | Control Panels | Machine Frames | Industrial Trolleys
Hoppers & Chutes | Platforms | Conveyors | Skids | Custom Structures

OUR CUSTOMISED FABRICATION PRODUCTS

Electrical Cabinets

Control Panels

Industrial Trolleys

Machine Frames

Hoppers & Chutes

Heavy Structural Frames

Conveyor Structures

Tanks & Vessels

Support Structures

Base Frames

Platforms & Walkways

Skids & Base Frames

Industrial Trolleys

Hoppers & Chutes

LASER SOLUTIONS

We provide high-precision laser cutting solutions for MS, SS, Aluminium and other metals. Our advanced laser technology ensures excellent accuracy, smooth edges and consistency for a wide range of industrial applications. From simple shapes to intricate designs, we deliver components that meet the highest quality standards.

Laser Cut Panels

Precision MS/SS Parts

Electrical Cabinet Parts

Laser Cut Brackets

Sheet Metal Components

Custom Laser Profiles

WHY CHOOSE US

High Precision
Accurate cuts with smooth edges and tight tolerances.

Excellent Accuracy
Consistent results for all types of components.

Minimal Material Waste
Optimized nesting for maximum material utilization.

Versatile Applications
Suitable for diverse industries and various components.

Consistent Quality
Reliable output with uniform high quality.

On-Time Delivery
Timely execution and delivery for every project.

ELECTRICAL CABINETS

Elevate your electrical systems with our expertly crafted cabinet manufacturing service. From concept to completion, we design and fabricate durable enclosures tailored to your specifications. Count on us for precision engineering and superior quality, ensuring optimal protection and organization for your electrical components.

» *Available in:*

- Mild Steel (MS)
- Stainless Steel (SS)
- Powder Coated
- Custom Finish (on request)

Example: *Control panel cabinets, PCC, MCC, PLC panels, DB boxes, junction boxes, control desks, electrical enclosures, automation panels, etc.*

Control Panel Cabinets

DB Boxes

PLC Panels

Junction Boxes

Control Desks

FABRICATED PRODUCTS

We offer a wide range of high-quality fabricated components built to meet the demands of diverse industries. Using advanced manufacturing techniques and skilled craftsmanship, we deliver durable, precise, and cost-effective solutions.

» *Products Include:*

- Machine Frames & Bases
- Conveyor Systems
- Sheet Metal Components
- Safety Railings & Guardings
- Enclosures & Covers
- Hoppers & Chutes

Conveyor System

Machine Frame

Sheet Metal Components

Safety Railings

Hopper

Metal Enclosure

INDUSTRIAL TROLLEYS

From heavy-duty material handling to specialized storage solutions, we design and produce high-quality trolleys tailored to your unique requirements. Trust in our expertise for durable, efficient, and ergonomic solutions that optimize workflow efficiency and enhance productivity.

» *Available in:*

- Mild Steel (MS)
- Stainless Steel (SS)
- Powder Coated
- Custom Finish (on request)

Example:

Material handling trolleys, platform trolleys, tool trolleys, transfer trolleys, movable storage, customized trolleys, etc.

INDUSTRIAL CONVEYORS

Streamline your material handling with our high-performance industrial conveyors. We design and manufacture reliable, efficient, and customized conveyor systems tailored to your production requirements. Our conveyors are built for durability, smooth operation, and minimal maintenance, ensuring maximum productivity in your workflow.

» *Works for:*

- Mild Steel (MS)
- Stainless Steel (SS)
- Powder Coated
- Customized (on request)

Example: *Belt Conveyors, Roller Conveyors, Chain Conveyors, Slat Conveyors, Screw Conveyors, Curved Conveyors, Inclined Conveyors, etc.*

Belt Conveyor

Roller Conveyor

Chain Conveyor

Slat Conveyor

Inclined Conveyor

Curved Conveyor

STRUCTURAL FABRICATION

We offer comprehensive structural fabrication services for a wide range of industrial and commercial applications. Using high-quality materials and advanced fabrication techniques, we deliver strong, safe, and precise structures that meet the highest industry standards. From concept to completion, we ensure durability, accuracy, and on-time delivery.

» *Works for:*

- Mild Steel (MS)
- Stainless Steel (SS)
- Custom Fabrication
- Heavy Duty Structures

Example: *Industrial Structures, Platforms, Mezzanine Floors, Support Structures, Frames, Staircases, Handrails, Pipe Racks, etc.*

Platforms

Mezzanine Floors

Support Structures

Staircases & Handrails

Pipe Racks

Structural Frames

PLANT DETAILS:

Modern Manufacturing Facility
Industrial shed located in Bhosari, Pune.

Providing Services
Since 2020

Spacious Infrastructure
Industrial shed with 3500 Sq. Ft. working area.

Skilled Workforce
Total number of employees: 10

Engineering Excellence
In-house engineering & technical support team.

Quality First
Quality assurance is our top priority.

AVAILABLE MACHINERIES:

TIG Welding Machine (AC/DC)

High precision welding for superior quality finishing.

MIG Welding Machine

Efficient and reliable welding for various industrial applications.

ARC Welding Machine

Powerful performance for heavy-duty welding requirements.

All Quality Inspection Tools

Precision measurement tools to ensure high quality and accuracy.

WHY US?

Long Term Commitment
We have a long-term view and commitment.

Continuous Improvement
We continuously work to improve our system.

Sustainable Practices
We adopt sustainable practices for a better tomorrow.

Quality & Reliability
We aim to be a world leader in quality and reliability.

Financial Strength
We are financially strong and stable.

PRECISION
STRENGTH
PERFORMANCE

WHY CHOOSE SWASTIK INDUSTRIES?

CUSTOMISED FABRICATION
We manufacture as per your drawings and specific requirements with perfect precision.

STRUCTURAL FABRICATION
We fabricate strong, durable and safe structures for various industrial applications.

PRECISION LASER CUTTING
Advanced CNC laser machines deliver high-accuracy cutting with smooth finish and tight tolerances.

QUALITY ASSURANCE
Every product undergoes strict quality inspection at every stage before dispatch.

ELECTRICAL CABINETS
Custom-built MS & SS electrical cabinets for control panels and industrial applications.

ON-TIME DELIVERY
We value your time and are committed to delivering every project on schedule.

INDUSTRIAL TROLLEYS & CONVEYORS
Strong and reliable material handling solutions designed for maximum efficiency.

EXPERIENCED TEAM
Skilled engineers, fabricators, welders and technicians with rich industry experience.

OUR STRENGTHS

7000+ Sq. Ft. Working Area	**20+** Skilled Employees	**2020** Established Since	**Wide** Range of Solutions
Quality Is Our Priority	**100%** Customer Satisfaction	**On-Time** Delivery	**Competitive** Pricing

OUR WORK PROCESS

1. **ENQUIRY**
   Understanding your requirements.

2. **DESIGN & DRAWING**
   Preparation of drawings as per requirements.

3. **LASER CUTTING**
   High precision laser cutting of components.

4. **FABRICATION & WELDING**
   Parts fabrication and welding by skilled experts.

5. **ASSEMBLY**
   Assembling and fitting of components.

6. **QUALITY INSPECTION**
   100% inspection for quality and accuracy.

7. **DISPATCH**
   Safe packaging and timely delivery.

WHAT WE OFFER

- Customised Fabrication Solutions
- High Precision Laser Cutting Services
- Electrical Cabinets & Control Panels
- Industrial Trolleys & Material Handling Solutions
- Industrial Conveyors
- Heavy & Structural Fabrication
- Process Tanks, Hoppers, Chutes & Skids
- End-to-End Manufacturing Solutions

OUR WORK IN ACTION

PERFORMANCE

OUR PRODUCT RANGE

We deliver high-quality, customized fabrication and industrial solutions designed for strength, precision and performance.

09 PLATFORM WITH LADDER ASSEMBLY

Sturdy platform with ladder assembly designed for safe access, stability and long-term performance.

10 ELECTRICAL PANELS

Control panels, PCC, MCC and PLC panels designed and manufactured for industrial applications.

11 INDUSTRIAL TROLLEYS

Customized industrial trolleys built for safe and efficient material handling in industrial environments.

12 STORAGE BINS & PALLETS

Durable storage bins and pallets designed for organized storage and efficient material handling.

13 ROLLER CONVEYORS

Robust roller conveyors engineered for smooth and efficient movement of materials across processes.

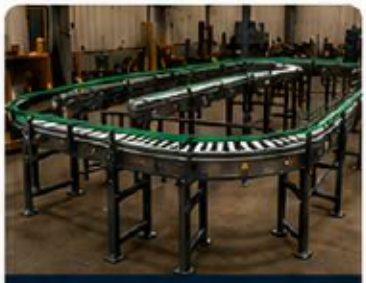

14 BELT CONVEYORS

Reliable belt conveyors designed for continuous and efficient material transport across industries.

15 CHAIN CONVEYORS

Heavy-duty chain conveyors built for strength, durability and consistent performance in demanding applications.

16 INFEED & OUTFEED CONVEYORS

Customized infeed and outfeed conveyor systems for seamless material flow and process automation.

17 SS PROCESS TANKS

High-quality stainless steel process tanks manufactured for chemical, food, pharma and other industrial applications.

18 INDUSTRIAL MESH PANELS

Industrial mesh panels and partitions for safety, security and protection in industrial work areas.

19 MACHINE GUARD ASSEMBLIES

Precision fabricated machine guard assemblies ensuring operator safety and machine protection.

20 SHEET METAL COMPONENTS

Laser cutting, bending and fabrication of lightweight sheet metal components with high precision and quality.
